No I had not seen this, thanks.

The nurses still get those two holidays because they are in our contract still. I understand that these are points of negotiation between MNA and the state though,

Hi ~

Have you folks received/seen this?

FYI...

Effective July 1, 2012, please note the changes to Bunker Hill and Evacuation Day and the inclusion of two Campus Closure days. Please be sure that staff in your area are aware of this impending change. Thank you.

Please find attached the Commonwealth of Massachusetts Legal Holidays and Campus Closure Days memo for calendar years 2012, 2013 and 2014.
